5) Submitting Application: Candidates complete their applications by declaring that the information they enter and the documents uploaded are valid and belong to him. The responsibility of the uploaded documents and information belong to candidates. Documents and information cannot be changed after the application has been submitted.

6) Control of Application: Documents and information of candidates who complete the application steps are examined by the Document Control Commission. Applications of candidates, information and uploaded documents of whom do not match, are directed to the candidate application screen to upload the missing document or correct the inaccurate information. Candidates can follow their application status on the candidate portal on the dates specified in the exam calendar.

7) Completing Missing Documents or Information: Candidates can log into the ADÜYES system on the dates specified in the ADÜYES Additional Quota Placement calendar and update their documents and information. Applications of candidates who do not update their information until the end of completing missing documents/information period are rejected. Applications of candidates whose information and uploaded documents do not match in the missing document completion

period are rejected by the commission. ADÜYP calculation and placement of candidates whose applications are rejected will not be made.

8) Application Approval: Applications of candidates who have successfully completed all the above steps and uploaded valid documents and information will be approved.

9) Calculation of ADÜYP: ADÜYP calculations are made for candidates whose applications have been approved. ADÜYP calculation formula is on the Accepted Exam Results and Diploma Grade List menu under the Application Procedures menu on the <https://yes.adu.edu.tr> website. Following the announcement of the final ADÜYP results of the candidates according to the placement calendar, candidates make their preferences specified in the 7th article below. ADÜYP calculation and placement are not made for candidates whose applications are rejected.

Important Note: As a result of the ADÜYES Application, the candidates who are placed with the application of their **SAT/ACT** exam results will be able to log in with their candidate information from the websites of the relevant exam organizing institutions (the official website that shows the SAT/ACT exam results) under the supervision of university officials, and the exam results will be verified. Candidates whose exam results cannot be verified are not registered in accordance with the 1st clause of the 21st article of the Directive on Foreign Student Admission Principles, or if they are registered, their registrations are deleted.

7. PREFERENCES
